

STATEMENT OF RESPONSIBILITY

You have voluntarily entered an AMA event. An AMA event indicates that this event is listed in the Association's official calendar and that AMA events guidelines, best practice, rules, standing and supplementary regulations may be used as a guide. It does not indicate that your safety has been warranted by the AMA, nor the promoter or organiser. To some extent, the use of all motor vehicles is inherently dangerous. You should take part in this event based on your own assessment of your abilities and suitability of your motor vehicle. Today's course may traverse formed or unformed areas and tracks and trails with minimal maintenance and the AMA nor the promoter or organiser is responsible for their condition or the actions of other individuals using the event area, tracks and trails. The AMA urges you to wear appropriate personal protective equipment and to receive professional instruction before operating a motor vehicle. We urge you not to operate a motor vehicle without personal medical and ambulance coverage. If you have any doubts at this time about your personal ability to participate in this event, if you have not adequately prepared yourself and your equipment, if you question the condition and safety of your motor vehicle, or the event areas or tracks or trails, or if you believe your insurance coverages are not adequate to compensate you for any loss that might occur, we urge you to notify the organiser, who will immediately refund your entry fee.
